All Insurance matters from Statehood. 1889 until 1909 were handled by the State Auditor's Office: Chapter 12 Session Laws Eleventh Legislative Assembly 1909, Approved February 13, 1909, created the office of Commissioner of Insurance and a Department of Insurance was formed.

Annual reports on Insurance were prepared and published by the State Auditor for the years 1906, 1907 and 1908 and by the Insurance Department since that time.

Before transacting any insurance business each and every person intending to do so must be licensed, for each and every company he wishes to represent.

Application for such license must be made by the company or their authorized representative on requisition blanks which are furnished by the Department.

Individual License permits only the holder to operate as an agent.

Firm License permits financially interested members of the firm, not exceeding four in number, whose names appear on the license to operate as agents.

Corporation License permits financially interested officers, not exceeding four in number, whose names appear on the license to operate as agents.

Each and Every Solicitor for an individual, firm or corporation must be licensed for each and every company for whom he will solicit business.

Licenses must be held by agents or solicitors subject to the inspection of the insuring public at all times.

Transfers. Licenses may be revoked by the company, and revoked licenses may be transferred to other agencies of the same company by application to the Department on regular requisition forms.

2. BROKERS AND BROKERAGE

Brokers are not recognized in Montana. Anyone transacting insurance business must be licensed as an agent.

3. COMPETITION, LIFE INSURANCE

Competition and comparison of benefits offered may be made until an application is signed and a settlement made of the first year's premium by the insured, then it must cease.

4. CONTRACTS

Oral or written contracts which tie up the insurance in such a manner as to prevent the insured from placing his insurance where he wishes, will not be permitted.

5. DISCRIMINATION

Acceptance of merchandise, wares or goods of any character whatsoever in payment of premiums on policies of insurance is forbidden.

6. HOSPITAL BENEFITS

Railroad men entitled to maximum benefits allowed in the policy contract.

7. MERCANTILE AGENCIES

Anyone who acts as an agent for a company for the sole purpose of securing insurance on his property or life at a reduced cost is guilty of rebating.

8. MISREPRESENTATION

Section 6290 R. C. M., ruled to apply to all classes and kind of insurance.

9. REBATING

Any payment to the insured of any kind by a company or agent that in any manner reduces the cost of his individual insurance as compared to that of others similarly situated, is prohibited.

10. REFUND OF PREMIUMS, LIFE POLICIES

Payment must be returned to applicant if for any reason policy is not delivered. Refusal to take medical examination does not relieve company.

Companies and agents must refrain from circulating or spreading any reports or rumors calculated to reflect upon or injure the standing of any company or agent licensed by this Department.

12. TWISTING

Inducing a policyholder to lapse or surrender his present insurance and to take new insurance in another company to his financial or economic loss, is prohibited.

UNAUTHORIZED INSURANCE

In an effort to curb the purchase of insurance in companies not licensed to transact business in this State, the following card was sent the press of the State in November, 1928.

OFFICE OF STATE AUDITOR

STATE OF MONTANA

INSURANCE DEPARTMENT

SEVEN REASONS WHY THE PURCHASE OF INSURANCE IN COMPANIES NOT LICENSED IN MONTANA IS NOT A GOOD INVESTMENT FOR A MONTANA CITIZEN

They operate through the mails and do not pay any fees and taxes into the State of Montana for doing business therein.

The Insurance Department of this State has no supervision over their operations, has no knowledge of their finances and it is possible they could operate while insolvent.

The policies of the company are not reviewed in any way by the Insurance Department of the State of Montana and they are thus able to issue policies that have objectionable features.

Not being permitted to have agents in Montana, they have no facilities for the prompt adjustment of their claims, such adjustment having to be made entirely through the mails.

This Department has no jurisdiction and could be of no assistance whatever to the insured in case there was a dispute over the just settlement of a claim.

Ordinary claims under a policy such as these companies issue are not of sufficient size to be carried into the Federal Courts.

Not being legally admitted to Montana, court action in this State cannot be instituted against the company. Any suit, which of necessity must be filed, would have to be filed in the State and County in which the home office of the company is located.
